FUTURE **M @ K E**

What to expect

- **Kickstart with a Screencast** intro to the Pathway
- **Join exclusive Speaker Series** — hear from top employers, industry pros, and universities (online & in-person)
- **Stay connected via a dedicated MS Teams channel** for real-time updates and tailored career support
- **Access targeted work experience & taster days** in your chosen sector
- **Get personalised guidance** — mentoring, careers advice, university schemes, summer schools, and apprenticeship opportunities

How to sign up

Enrolment on the above pathways will be via the MS Form in September - October.

Students can also request to be added onto the Pathways throughout the year by emailing careers@kedst.ac.uk

KE Career Pathways

Make the Most of Your Careers Pathway

Being on a Careers Pathway gives you access to exclusive employers, universities and careers support. What you get out depends on how you use it.

Key Things To Do:

Check Your MS Teams Channel:

- Your main source of opportunities
- Employer & university talks
- Taster days, work experience, apprenticeships & jobs
- Turn on notifications so you don't miss deadlines

Start Engaging Early - this helps you:

- Build experience
- Attend more events
- Make stronger applications
- More choice, less stress

Use the Teams Search Bar - search for:

- Work experience
- Taster day
- Apprenticeship
- University visit
- Your career interest (e.g. engineering, law, healthcare)

Attend Events - Employer talks, visits and university sessions gives you:

- Real career insights
- Evidence for applications
- A chance to ask questions

Take Responsibility, we share the opportunities – you take action:

- Read posts carefully
- Apply on time
- Be professional

Keep a Simple Record:

- Events attended
- Employers or universities you meet
- Applications made
- This will help with applications and interviews.
